# Notice of Hearing on Proposed Administrative Regulations

A hearing will be conducted at 1 p.m. Monday, November 30, in the Kansas Department of Transportation's seventh floor conference room, Docking State Office Building, 915 S.W. Harrison, Topeka, in order to allow interested parties to express their views and comment on proposed regulations K.A.R. 36-39-1 through 36-39-6. The proposed regulations establish a standardized process for consideration of requests for state loan guarantees, loans, or grants for rail service preservation and revitalization in Kansas. This process is intended to fulfill the Secretary of Transportation's duty under K.S.A. 1991 Supp. 75-5040 et seq. to ensure that any obligations or contingent liability incurred by the state of Kansas for such projects is held within fiscally responsible limitations.

The railroad loan guarantee, grant and loan programs are expected to provide public benefits to the state of Kansas through preservation of local rail service, lower transportation costs and increased marketing opportunities for Kansas products, avoidance of declines in tax revenues, and savings for state and local governments in highway maintenance costs. The loan program is expected to also permit better utilization of any available federal funding for these purposes by creating a revolving fund which will make funds received from repayment of low-interest loans available for additional use on other projects by small railroad companies in Kansas. No significant net increase of cost to the Kansas Department of Transportation or other state or local agencies is expected. Fees will be charged to loan guarantee, loan, and grant applicants to cover the costs of processing.

Complete copies of the proposed regulations and the fiscal and economic impact statements may be obtained from the Kansas Department of Transportation, Office of Chief Counsel, (913) 296-3831.

A period of 30 days notice constitutes a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. Written comments may be sent to the Kansas Department of Transportation, Office of Chief Counsel, Attn: Mike Rees, Room 734-S, Docking State Office Building, Topeka 66612-1568.

# Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted from 9 to 10:30 a.m. Tuesday, December 1, in the board room of the State Board of Regents, Suite 609, Capitol Tower, 400 S.W. 8th, Topeka, to consider the adoption of proposed rules and regulations 88-22-1 through 88-22-10 of the Board of Regents on a permanent basis.

All interested parties may submit written comments prior to the hearing to the general counsel of the State Board of Regents, 400 S.W. 8th, Suite 609, Topeka 66603. All interested parties will be given a reasonable opportunity at the hearing to present their views orally on the adoption of the proposed regulations. In order to give all parties an opportunity to express their views, it may be necessary to request each participant to limit oral presentation to five minutes.

This 30-day notice constitutes a public comment period for the purpose of receiving written public com-

ments on the proposed regulations.

A summary of K.A.R. 88-22-1, 88-22-2, 88-22-3, 88-22-4, 88-22-5, 88-22-6, 88-22-7, 88-22-8, 88-22-9 and 88-22-10 follows:

88-22-1. Defines terms used in the regulations relating to the Teacher Scholarship Program.

88-22-2. Establishes eligibility requirements for participation in the Teacher Scholarship Program.

88-22-3. Sets forth information on filing applications for the Teacher Scholarship Program.

88-22-4. Establishes requirements relative to eligibility for renewal of the Teacher Scholarship.

88-22-5. Deals with the confidentiality of information submitted to the board by applicants and parents.

88-22-6. Discusses authority of the board to limit awards if necessary.

88-22-7. Sets forth information on certification required from each eligible postsecondary institution which enrolls the recipient of a Teacher Scholarship.

88-22-8. Sets forth terms to be included in agreement to be entered into by the recipients of a Teacher Scholarship.

88-22-9. Establishes the number of scholarships available and the amount of the award.

**88-22-10.** Discusses mechanisms and procedures for scholarship repayment if service obligations are not satisfied.

The regulations will provide for the awarding of financial assistance to individuals selected as teacher scholarship recipients; \$491,931 has been appropriated for FY 1993. It is proposed that up to 100 scholarships of \$5,000 be awarded annually to students enrolled in a course of instruction leading to teacher certification in a hard-to-fill discipline as designated by the Kansas Department of Education.

Scholarships are renewed annually as constrained by funding limits, continued enrollment in programs leading to teacher certification and maintenance of satisfactory academic progress as measured by the recipients' schools. The scholarships can be renewed for up to five years if the certification requirements requires five years of study. Funding is only available for those seeking first-time certification. An applicant who has already received teacher certification is not eligible.

Selection is based on academic performance at the high school and/or the college level. Taken into consideration will be completion of the Regents' recommended curriculum, cumulative GPA, rank in class and ACT score. Students who have completed or are completing two consecutive semesters of three-fourths or full-time college enrollment may submit college transcripts and college advisor recommendations to supplement high school information. Preference may be given to applicants who are upperclass students. Preference may be given to applicants who are of nontraditional age (over 24 years). When the Board of Education submits the list of hard-to-fill disciplines, relative weight may be given to disciplines with higher vacancy and/or turnover rates.

Copies of the proposed regulations and economic impact statement may be obtained by contacting Ted D. Ayres, general counsel, at the address above.

No oral or auction bids will be considered by the governing body.

#### Terms of the Bonds

The bonds will be dated December 1, 1992, and will mature serially on October 1 in the years and in the amounts set forth below. The bonds will bear interest from the date thereof at rates to be determined when the bonds are sold as provided herein. The bonds will consist of fully registered certificated bonds, each in the denomination of \$5,000 or integral multiples thereof. Interest on the bonds will be payable by check or draft of the paying agent to the registered owners appearing on the books maintained by the bond registrar as of the 15th day of the month preceding each interest payment date (the record dates). The fees of the bond registrar for registration and transfer of the bonds will be paid by the city.

### Redemption of Bonds

Bonds maturing in the years 1995 through 1999, inclusive, shall become due and payable on their respective maturity dates without option of prior call for redemption and payment. Bonds maturing in the year 2000, and thereafter, at the city's option may be called for redemption and payment prior to their respective maturities on and after October 1, 1999. Bonds called for redemption and payment may be called in whole or in part at any time on any interest payment date from and after the first date authorized for redemption. Bonds called for redemption and payment as described herein shall be redeemed at a price equal to the principal amount thereof, plus accrued interest to the date established for such redemption and payment.

If less than all of the bonds outstanding are called for redemption on a specified date, the method of selection of the bonds to be so called shall be designated by the city in such equitable manner as it may determine. If the city elects to call for redemption less than all of the bonds at the time outstanding, it shall, in the case of bonds registered in denominations greater than \$5,000, consider each \$5,000 of face value of a bond so registered as though it were a separate

bond in the denomination of \$5,000.

Written notice of any call for redemption and payment of the bonds shall be given by United States registered or certified mail not less than 30 days prior to the date established for such redemption and payment. Such written notice shall be mailed to the paying agent and to the registered owners of the bonds as shown by the registration books maintained by the bond registrar. Prior to any date established for redemption and payment, the city shall deposit with the paying agent sufficient funds to pay the bonds so called for redemption and payment at the redemption price set forth above and all unpaid and accrued interest thereon to the date of such redemption and payment. Upon the deposit of said funds, and the giving of notice of such redemption and payment as aforesaid, bonds thus called for redemption shall cease to bear interest from and after the date of their redemption and payment.

#### Condition of Bids

Bids will be received for the bonds bearing such rate or rates of interest as may be specified by the bidder. The same rate will apply to all bonds of the same maturity. Each interest rate specified will be in an even multiple of ½ or ½ of 1 percent. The difference between the highest and lowest rates specified in any

bid will not exceed 2.5 percent. No interest rate will exceed the maximum interest rate allowed by Kansas law, said rate being the index of treasury bonds published in the *Bond Buyer*, successor to *Muni-week*, in New York, New York, on the Monday next preceding the day on which the bonds are sold, plus 2 percent. No bid of less than par and accrued interest will be considered. Bids for less than the entire issue of bonds will not be considered.

# Bid Form and Good Faith Deposit

Bids will be submitted on the official bid form furnished by and secured from the city clerk and will be addressed to the city at City Hall, 4th and Chase, Strong City, KS 66869, Attention: City Clerk, and will be plainly marked "Bond Bid." No changes to said form are authorized; changes or erasures thereon may cause rejection of any bid. Each bid will specify the total interest cost to the city on the basis of such bid and the average annual net interest rate on the basis of such bid. The net interest cost to the city will be determined by subtracting the amount of the premium, if any, from the total interest cost upon all the bonds from their date until their respective maturities and will be stated as a dollar amount in the bid. The city will be entitled to rely on such dollar amount as stated in the bid as the basis of determining the lowest net interest cost. If there is any discrepancy between the said net interest cost and the average annual interest rate specified, the specified net interest cost will govern and the rates specified in the bid will be adjusted accordingly.

All bids must state: (1) the total interest cost of the bid; (2) the premium, if any; (3) the net interest cost of the bid; and (4) the average annual interest rate. All of said information shall be certified by the bidder to be correct, and the city will be entitled to rely on the certification of correctness by the bidder. Each bid must be accompanied by a certified or cashier's check equal to 2 percent of the total amount of the bid, and shall be payable to "Treasurer, Strong city, Kansas." In the event a bidder whose bid is accepted shall fail to perform under the contract for the purchase of the bonds from the city, said deposit shall be retained by the city as liquidated damages. All checks of unsuccessful bids will be returned promptly. No interest will be paid upon the deposit made by the successful bidder.

#### Award of Bids

The sealed bids for the bonds will be opened publicly and only at the time and place specified in this notice. The city reserves the right to reject any and all of the bids, and to waive any irregularities. Unless all bids are rejected, the bonds will be awarded to the bidder whose proposal results in the lowest net interest cost to the city.

#### Delivery of the Bonds

The bonds, duly printed, executed and registered, will be furnished and paid for by the city. The bonds will be sold subject to the unqualified approving opinion of Jonathan P. Small, Chartered, bond counsel, of

Topeka, Kansas, a copy of whose opinion will be printed on the reverse side of each bond. Manually signed originals of the opinion will be furnished without expense to the purchaser of the bonds at the delivery thereof. The cost of this legal opinion and the expense of printing the bonds will be paid by the city. Said legal opinion will contain a statement to the effect that the bonds constitute a general obligation of the city payable as to both principal and interest from ad valorem taxes which may be levied without limitation as to rate or amount upon all of the taxable tangible property within the territorial limits of the city. The opinion will also address the exclusion from federal and Kansas income taxation of the interest on the bonds.

The denomination of the bonds and the names, addresses and Social Security or taxpayer identification numbers of the registered owners to be shown on the bonds initially delivered shall be submitted in writing by the successful bidder to the city and bond registrar not later than 5 p.m. C.S.T. on December 1, 1992. In the absence of such information, the city will deliver the bonds in the denomination of each maturity registered in the name of the successful bidder.

The successful bidder shall furnish the city by not later than the date of delivery of the bonds a certificate acceptable to city's bond counsel which sets forth the initial reoffering price of the bonds to the public.

The purchaser will be furnished with a complete transcript of proceedings evidencing the authorization and issuance of the bonds and the usual closing proofs, which will include a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity. Payment for the bonds will be made in immediately available funds. Delivery of the bonds will be made to the successful bidder on or before December 10, 1992, at any bank in the state of Kansas or Kansas City, Missouri, at the expense of the city. Delivery elsewhere will be made at the expense of the purchaser. The purchase price, together with any premium and accrued interest from the date of the bonds to the date of delivery, will be paid at delivery or the good faith deposit will be forfeited.

#### Tax Exemption and Qualified Tax-Exempt Obligations

It is the opinion of bond counsel that provided the city complies at all times with the bond ordinance and applicable existing law, the interest on the bonds is: (1) excludable from gross income for federal income tax purposes, and (2) is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations. However, such interest with respect to corporations as defined for federal income tax purposes, is taken into account in determining adjusted net book income (adjusted current earnings for taxable years ending after December 31, 1989) for the purpose of computing the alternative minimum tax imposed on such corporations. The exclusion identified in the preceding clause (1) is subject to compliance by the city with all requirements of the Internal Revenue Code of 1986, as amended, which must be satisfied subsequent to issuance of the bonds in order for the interest on the bonds to qualify for such exclusion. Failure to comply with certain of such requirements could cause the interest on the bonds to be so included in federal gross income retroactive to the date of issuance of the bonds. The city will covenant to comply with all such requirements. Bond counsel expresses no opinion regarding other federal tax consequences arising with respect to the bonds.

Prospective bidders for the purchase of the bonds should be aware that: (1) Section 265 of the code denies a deduction for interest on indebtedness incurred or continued to purchase or carry the bonds, or, in the case of a financial institution within the meaning of Section 265(b)(5) of the code, that portion of a bondholder's interest expense allocable to the interest on the bonds; (2) with respect to insurance companies subject to the tax imposed by Section 831 of the code, for taxable years beginning after December 31, 1986, Section 832(b)(5)(B)(i) of the code reduces the deduction for loss reserves by 15 percent of the sum of certain items, including interest on the bonds; (3) for taxable years beginning after December 31, 1986, and prior to January 1, 1992, interest earned on the bonds by some corporations could be subject to the environmental tax imposed by Section 59A of the code; (4) for taxable years beginning after December 31, 1986, the interest earned on the bonds by certain foreign corporations doing business in the United States could be subject to a branch profits tax imposed by Section 884 of the code; (5) passive investment income, including interest on the bonds, may be subject to federal income taxation under Section 1375 of the code for Subchapter S corporations that have Subchapter C earnings and profits at the close of the taxable year if more than 25 percent of the gross receipts of such Subchapter S corporation is passive investment income; and (6) Section 86 of the code requires recipients of certain Social Security and Railroad Retirement benefits to take into account in determining gross income, receipts or accruals of interest on the bonds. These categories of prospective bondowners should consult their own tax advisers as to the applicability of any of these consequences.

The bonds are exempt from intangible personal property taxes levied by Kansas counties, cities and townships. Interest on the bonds is excludable from the computation of Kansas adjusted gross income whether or not included in federal adjusted gross income.

The city will covenant to take such actions as are necessary to designate the bonds as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the code, and, in the case of certain financial institutions within the meaning of Section 265(b)(5) of the code, a deduction is allowed for 80 percent of that portion of such financial institution's interest expense allocable to interest on the bonds.

#### Purpose and Security for the Bonds

These bonds are being issued pursuant to K.S.A. 13-1024a and K.S.A. 10-101 et seq., as amended and supplemented, for the purpose of financing the cost of (continued)

constructing, reconstructing, equipping and improving the city's waterworks system and all things necessary and incidental thereto.

The bonds and the interest thereon shall constitute general obligations of the city and shall be payable as to both principal and interest from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property within the territorial limits of the city.

### Assessed Valuation and Bonded Indebtedness

The city's equalized assessed valuation of the taxable tangible property within the city for the year 1992 for the computation of limits upon bonded indebtedness is:

Assessed valuation	
Taxable value of motor vehicles	\$ 38,381.00
Equalized assessed tangible valuation for computation	
of bonded debt limitation	\$960,050.00

The total general obligation bonded indebtedness of the city as of this date is \$295,000, and it includes \$200,000 in temporary notes which will be paid off with this proposed issue of bonds. Said indebtedness does not include this \$250,000 proposed issue of bonds.

Additional copies of this notice of bond sale, the official bid form and further information may be received from the City Clerk, 4th and Chase, Strong City, KS 66869, (316) 273-6345; or from bond counsel, Jonathan P. Small, 400 S.W. 8th, Suite 304, Topeka, KS 66603, (913) 234-3686.

### By Hand Delivery:

Continental Bank, N.A. Corporate Trust Operations 230 S. Clark St., 19th Floor Chicago, IL 60697

To assure prompt payment of the redemption price, bond certificates should be sent, unendorsed, approximately two weeks before December 1, 1992, to the above Continental Bank address. The method of delivery of the bonds for payment is at the election and risk of the holder, but if sent by mail, insured, registered or certified mail, return receipt requested, is recommended.

Although registered bondholders have the option of presenting bonds to the Kansas paying agent, there will be a delay in the issuance of bonds for any unredeemed portion unless such presentment is made to the principal paying agent in Chicago. Accordingly, the registered bonds which have been called in part should be presented to the paying agent in Chicago at the address given above.

Where a fully registered bond is redeemed in part, a new fully registered bond for the unredeemed portion will be issued and returned without charge. Interest on the bonds or portions of the bonds called for redemption will cease to accrue on December 1, 1992.

Under the provisions of the Interest and Dividend Tax Compliance Act of 1983, paying agents making payments of interest or principal on corporate securities or making payments of principal on municipal securities may be obligated to withhold a 20 percent tax from remittances to individuals who have failed to furnish the paying agent with a valid taxpayer identification number. Holders of the above described securities who wish to avoid the imposition of the tax should submit certified tax identification numbers when presenting their securities for collection.
